10358 RE98-RADIATOR-KEY

Key Ring with Radiator Key

✓ Split Ring: Ø 35 mm

The RE98-RADIATOR-KEY key ring covers two useful functions at once: A heating vent key and a reusable caddy chip are both embedded into the key ring. The design of the caddy chip holder made of solid metal is designed like a screw nut. The surface of the key ring is matt. The caddy chip (iron, nickel-plated) can simply be removed and reinserted after use. The heating vent key fits common heating vent valves.

A laser engraving on the caddy chip is your perfect advertising option. REFLECTS® own design

Material	metal
Measurements	80 x 35 x 9 mm
Weight	27 g
Packaging	Polybag
Branding	Ø20mm

10365 RE98-LEVENT

Key Ring

- ✓ Split Ring: Ø 35 mm
- ✓ Heater deaerator
- ✓ Incl. caddychip
- ✓ Carabiner

Two useful functions on your key ring: a radiator key and a caddy chip! The shiny caddy chip is attached to a solid carabiner, which is complemented by an additional key ring made of matt metal. This elegantly designed pendant looks like a noble jewellery pendant and also has a technical function. For optimal use of the radiator key, simply use the caddy chip or a coin and insert it into the slot provided. Insert the coin to make it easier to turn the radiator key when venting the radiator.

Material	metal
Measurements	55 x 0,9 x 0,9 mm
Weight	25,3 g
Packaging	Polybag
Branding	15 x 15 mm

51736 RE98-NAPLES

Linen tester

- ✓ Engraved measuring scale
- ✓ Magnification: 6x
- ✓ Glass lens
- ✓ Foldable

Even today, the linen tester is an often used tool of graphic artists and printers. This magnifying instrument with an integrated measuring scale is used by many other professions as well. Our metal linen tester has a six-fold magnification and is equipped with a high-class glass lens. Can be customised with a stylish laser engraving, 1c pad print or doming.

Branding	30 x 30 mm
Handling category	B

52580 RE98-NAPLES LIGHT

Linen Tester with Light

- ✓ Magnification: 6x
- ✓ LED colour: white
- ✓ Engraved measuring scale
- ✓ Foldable
- ✓ Glass lens

The foldable linen tester made of metal offers convincing quality workmanship and two built-in LED lights which allow the use even under poor lighting conditions. The glass lens has a 6x magnification and the measuring scales (mm and inch) are engraved. A counting needle, adjustable via a wheel, facilitates the work. The folded linen tester is delivered in a black protective bag with a push button. The two LED lights are switched on or off by a labelled slide switch. The battery is included in the delivery.

Safety lock with locking function

52593 RE98-DARHAN

Multifunction tool

- ✓ Safety lock
- ✓ Screwdriver
- ✓ Blade width: 11 mm
- ✓ Keyring Hole
- ✓ Saw
- ✓ Bottle opener

The pocket miracle: 9-in-1 multitool - small, safe and always with you!

The powerful, compact multitool combines nine functions in one tool: pocket knife, scissors, nail file, cross and flat head screwdriver, bottle opener, can opener and saw. Almost all everyday issues can be easily overcome using this multitool. The black lacquered multitool can comfortably hang on a key ring with a key ring hole - ideal for travel. The tools are locked in place during use by the safety mechanism. After use, the tools are securely stored in place by the safety lock. This protects the user from accidental injury. To release the safety mechanism, just press the two buttons on the side and push them down simultaneously, so that a tool can be put back. The company logo can be applied on the housing or on the tools with laser engraving. A gift box is included.

Multifunction tool

- ✓ Screwdriver
- ✓ Screwdriver
- ✓ 3/3.5mm spoke tool
- ✓ Carabiner
- ✓ Wire Cutter
- ✓ Bottle opener

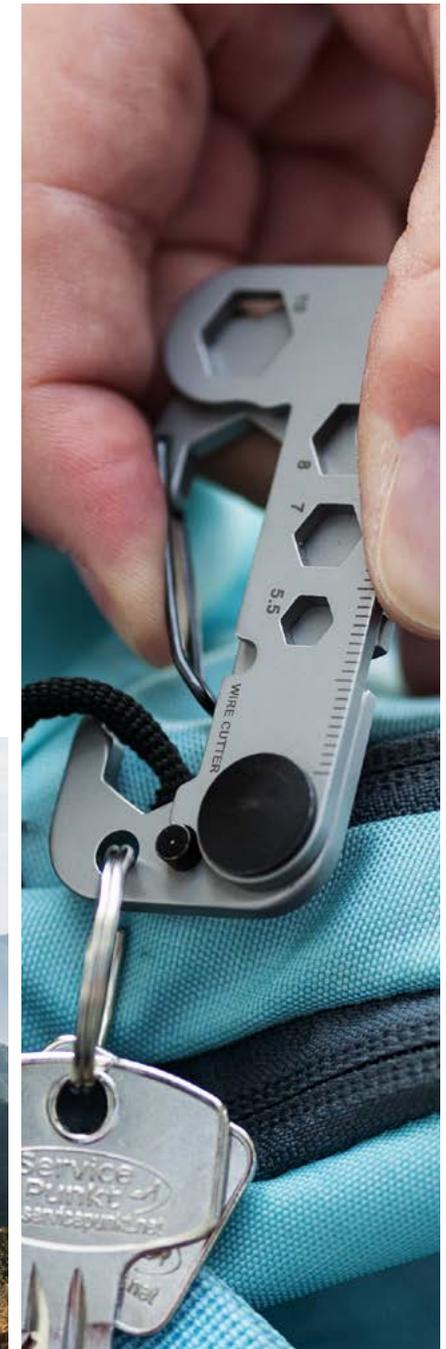

Our multi-tool is an indispensable companion for all outdoor activities such as camping, hiking or cycling. It offers all the functions you need to quickly and easily set things up on the go or carry out small repairs. The multi-tool is small and compact and has a solid snap hook on its side which can be easily attached to backpacks or belt loops. Alternatively, the multi-tool can also be attached to a key ring. Various functions can be used by sliding the multi-tool open. The multi-tool is made of solid metal and has a galvanised surface which protects against wear and tear.

RE98-BIT OF WORK**

Tool set

- ✓ Screwdriver
- ✓ Number of star screws bits: 9 pieces
- ✓ Number of slotted screws bits: 2 pieces
- ✓ Number of Cross Bits: 8 pieces

white 52629-WE

black 52629-BK

Precise tasks demand precise tools. This premium precision mechanics tool set, presented in a stylish black box, is specifically designed for intricate tasks on laptops, computers, glasses, and the like. The matte screwdriver with bit holder, alongside the 19 magnetic bits crafted from ultra-hard S2 stainless steel - including 9 star screw bits, 2 flathead screw bits, and 8 Phillips screw bits - ensure maximum adaptability and precision. The box, made from recycled ABS plastic, not only exudes elegance but also securely houses its contents thanks to its high-quality magnetic closure. The interior, made from recycled polypropylene, optimally protects and organizes the tools.

Material	Stainless steel, recycled polypropylene, recycled ABS plastic

52639 RE98-SKILLRISE

Pen Screwdriver 13-in-1

- ✓ Magnetic
- ✓ Number of slotted screw bits: 6 pieces
- ✓ Number of Cross Bits: 6 pieces
- ✓ Screwdriver

Practical and handy – the bit set made of anodized aluminium includes 6 flat bits and 6 cross head bits in various sizes, including precision mechanics. The bits are securely stored inside the pen. The magnetic bits are particularly easy to handle. Simply place the bit at the tip of the pen, and the screwdriver is ready to use. All bits are made of robust S2 steel. The pen shape facilitates the use as a tool, and the grooved surface ensures a good grip. The clip provides the necessary hold on clothing, a toolbox, or a clipboard. With a fine laser engraving, the bit set becomes an attractive promotional item.

52582 RE98-DAFFIELD

Thermo Lunchpot

- ✓ Double wall with copper-vacuum insulation
- ✓ Dishwasher safe
- ✓ Leak-proof
- ✓ BPA free
- ✓ Capacity: 800 ml

Our double-walled lunch pot with copper vacuum insulation keeps food warm for up to 11 hours and cold for up to 24 hours. The leak-proof thermo container made of high-class stainless steel holds 800 ml of liquid or solid food. Whether for keeping soup, pasta, vegetable and rice dishes warm or for cooling yoghurt, potato salad or ice cream, the thermo container is the ideal companion for on the go. To open the black powder-coated thermo lunch pot, just unscrew the double-walled stainless steel lid. You can use this lid as a serving bowl. This is an extremely comfortable additional gimmick, as the lid is double-walled and protects the user from injuries caused by heat. The capacity of the bowl amounts to 150 ml. Next, remove the main lid of the container. It is made of BPA-free plastic and contains a foldable stainless steel spoon in an extra compartment.

52591 RE98-LUNCHBREAK

Lunchbox

- ✓ Micro powder coating
- ✓ Capacity: 1200 ml
- ✓ BPA free
- ✓ Leak-resistant

Powder-coated stainless steel lunch box RE98-LUNCHBREAK is an ideal companion for anyone who regularly brings lunch to work, plans a picnic or prepares food for the road. The 1200 ml lunch box is leak-resistant with a silicone seal under the lid. Two closure clips keep the lid securely in place while also making it easy to open. The black, powder-coated surface completes the discreet look. Our metal lunch box is an environmentally friendly alternative to plastic lunch boxes. As with other REFLECTS® products, RE98-LUNCHBREAK offers several advertising options.

RE98-FRESHFUSION**

Lunchbox

eco-box included

- ✓ Heat resistant glass
- ✓ Leak-resistant
- ✓ Dishwasher safe
- ✓ Capacity: 1000 ml

A trendy fusion of bamboo and glass, the RE98- FRESHFUSION combines a stylish appearance with superior quality. The 1000 ml lunchbox is crafted from heat-resistant borosilicate glass, withstanding temperatures of up to 400 degrees Celsius. This makes it perfectly suited for oven or microwave use (excluding the bamboo lid). The transparent, BPA-free silicone seal on the lid's inside edge ensures a leak-proof closure. You can safely place the glass food container in the dishwasher. We offer various branding opportunities for the RE98-FRESHFUSION lunchbox.

RE98-BAMBUGUSTO

Lunchbox

- ✓ Bamboo lid
- ✓ Cutlery set
- ✓ Capacity: 1200 ml
- ✓ Rubber band

The RE98-BAMBUGUSTO lunchbox has a generous capacity of 1500 ml. It's equally perfect for storing fruits, salads, and other snacks on the go. The included cutlery set comprises a fork, spoon, and knife. Both the lunchbox and all cutlery pieces are crafted from BPA-free plastic. Fitted with a silicone seal and a nylon strap with buckle, the RE98-BAMBUGUSTO is leak-proof. The bamboo lid and recycled PP-plastic buckle add a touch of contemporary flair to the item. Tip: The lunchbox is dishwasher-safe, excluding the bamboo lid.

52581 RE98-LAUDAT

Lunch Kit

- ✓ Large containers: 2
- ✓ Cutlery set
- ✓ Rubber band
- ✓ BPA free
- ✓ Capacity: 2 x 500 ml

Whether for work, school or leisure - lunch boxes are everyday items for many people and have a long service life. Place your advertising message in the everyday life of your customers and make them happy with our all-rounder RE98-Laudat. The lunch box made of BPA-free plastic contains two black 500 ml containers that are separated by a divider. Inside the separator is a black plastic cutlery set consisting of a knife, fork and spoon. To ensure that the cutlery is safely stowed away, the individual pieces of cutlery are clamped in matching holders. A food separator for one of the two boxes is also included. The lid separator for one of the two boxes is also included. The lid of the lunch box is made of bamboo and plastic. A special feature: plastic and bamboo can be separated, so all plastic components can easily be put in the dishwasher. The bamboo board can also be used as a cutting board. For additional stability, the entire box is enclosed in a black rubber band.

Practical lunch box with bamboo lid: The perfect companion for on the go!

Black barbecue tongs with bamboo handle:
A must-have for all barbecue masters!

52596 RE98-MANISA

BBQ tong

- ✓ Length: 39 cm
- ✓ Safety lock
- ✓ Bamboo handle

The stainless steel barbecue tongs RE98-MANISA are a useful tool for barbecue masters. The bamboo handle gives the tongs a pleasant natural look and forms a trendy colour combination with the black lacquered stainless steel. In addition, the natural material offers a comfortable feel and enables safe handling on the heated barbecue. The ends of the barbecue tongs are slightly curved, so that the food can be gripped perfectly. With a length of 39 cm, the tool fits easily in the kitchen drawer and can also protect the hand from heat. The tongs are equipped with a secure locking mechanism. To unlock the tongs, you only need to press the eyelet on the hinged end of the tongs lightly. To close them, simply pull the eyelet. This allows the tool to be stored in a space-saving way. The tongs can also be hung up using the eyelet.

Material	Stainless steel, bamboo

RE98-ARVADA

BBQ tong

These grill tongs are an indispensable helper at your barbecue. Due to their length of 51 cm, the grill master maintains an ideal distance to the hot grill and can safely turn and serve meat or vegetables. The slightly bent ends of the tongs ensure that the food to be grilled can be gripped safely. The BBQ pliers have a practical locking device and an eyelet for hanging up. The handle made of beautiful bamboo wood can be impressively refined with a laser engraving.

Material	Stainless steel, bamboo

52583 RE98-SAPHIRA

BBQ tong

- ✓ Turner
- ✓ Length: 35 cm
- ✓ Safety lock
- ✓ Rubberized grip zone

The classic tool of every sophisticated barbecue master is his barbecue tongs. Our pair of stainless steel tongs is an indispensable helper around each barbecue. With a length of 39 cm, they guarantee safe handling and allow meat and vegetables to be turned and served in the best possible way. In order to allow the grilled food to be gripped perfectly, the ends of the barbecue tongs are slightly curved to a turner. The rubberised grip area gives a good and firm hold. In addition, the BBQ tongs can be locked or opened by pulling the eyelet on the head. Due to their length, these BBQ tongs can be conveniently stored in any kitchen drawer or can be nicely hung up on the eyelet. The BBQ tongs can be customised with an impressive laser engraving on the arm, turner or tongs.

RE98-SPICER

Pepper or Salt Mill

- ✓ Acacia wood
- ✓ Ceramic grinder
- ✓ Suitable for salt or peppercorns
- ✓ Adjustable grit

The REFLECTS® proprietary design, RE98-SPICER, impresses with its attractive appearance and high-quality craftsmanship. Made from noble acacia wood and stainless steel, this salt or pepper mill is equipped with a ceramic grinding mechanism that guarantees excellent grinding quality. The grinding degree can be selected by turning the stainless steel knob.

Notes: Wood is a naturally occurring raw material. Varying wood grain patterns and colour tones are inherent to the nature of the material.

RE98-SPICER is specifically designed for grinding salt or pepper.

RE98-MILLMASTER

Pepper or Salt Mill

- ✓ Acacia wood
- ✓ Ceramic grinder
- ✓ Suitable for salt or peppercorns
- ✓ Adjustable grit

The REFLECTS® in-house development, RE98-MILLMASTER, impresses with tasteful, modern design and high quality. The mill, made of genuine acacia wood and aluminum, features a high-quality ceramic grinding mechanism to deliver ground salt or pepper. The adjustable mechanism allows grain size from coarse to fine, the degree of milling can be selected by turning the aluminium disc.

The salt or pepper mill is comfortable to hold and easy to use. With its natural and elegant wood grain, the mill becomes a stylish addition to any kitchen and dining table. To indicate whether the mill is filled with salt or pepper, the product includes a white and black silicone ring to wrap around the mill's disc.
