Minimover

Travel like a grown-up.
Just a little smaller.

- Cute 3D motif
- Smart sleeve
- External side pockets
- Large zip fastening for little hands

• Available in the designs unicorn and pirate.
Additional product information can be found in the price list.

Kids trolleys

This trolley was designed specifically with young explorers in mind. It's lightweight, but also highly resistant. Its interior division is well-thought-out and offers plenty of space for those bits and pieces. The trolley is of course child's play to pull, meaning that nothing can diminish their desire for those big adventures.
