

FOR OUR BEST FRIENDS

MINIFEET® DOG TOYS

Whether for a clumsy little puppy or an adult dog – discover the new MiniFeet® range for humans' best friends.

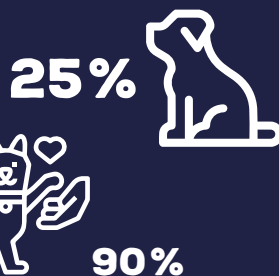

More information

FOR OUR BEST FRIENDS

According to surveys, there is a pet in almost every second household. Dogs live in about **25% of all households**.

For 90% of the people surveyed, both dog owners and non-dog owners agree: dogs play an **important social role**.

Therefore, it is not surprising that spending on pets, especially on dogs, has grown steadily in recent years.

In Germany, at least **5.5 billion euros** are spent on dog toys and co. every year.

MiniFeet® Dog Toys

Our dog toys are an eye-catching giveaways for all dog owners. The product range includes everything to satisfy the natural play instinct of a young, but also adult dogs.

All items have been developed according to the highest safety standards and with the needs of our beloved dogs in mind. The result is a charming, cheerful collection of robust, durable toys for the man's best friend. Their great look and the many possible uses appeal to dogs and humans alike.

In this range you will find items for romping around, working out and learning, but also for cuddling and for endurance training.

Use the new possibilities to serve further target groups and customer segments.

Giving joy!

Everyone can use our products to express their appreciation in a friendly way and is sure to receive a happy thank you in return. This leaves a positive impression of the company giving the gift and increase customer loyalty and customer satisfaction.

Dog toys as promotional gifts:

All products can be printed with the company logo and slogan. Regardless of whether for an insurance company, a dogschool, a club or the retail trade, there are many possible uses as an advertising medium.

Excerpts from our dog toy series:

You can find all models in the webshop at: www.mbw.sh

THE CLASSICS

The toys with special features such as a crackling foil or squeaky function are particularly popular among dogs.

KNOTTED ANIMALS AND CO. – PERFECT FOR THE DENTAL HEALTH OF THE DOGS

Our knotted animals made of robust material provide long-lasting play fun and improved dental health for dogs.

**CRACKLING TOYS –
A MIX OF MATERIALS THAT INSPIRES!**

For maximum play instinct:
Rope knots on the products
awaken dogs’ natural instincts.
In combination with the
integrated crackling function, it
is an ideal toy for the beloved
four-legged friend.

**FOR THE SPORTY:
THROW AND WATER TOYS**

Due to the mix of resistant fabrics, which are
additionally reinforced by felt, a durable throwing and
water toy for dogs is created.

RECYCLABLE LIKEABLE

MADE FROM
100% RECYCLED
PET BOTTLES!

For sustainable fun –

Dog toys made from 100% recycled PET bottles

Just like our RecycleBears, this dog toy is made from recycled PET bottles. The eyes and noses are embroidered, so that no additional plastic parts are used. As a result, these products are recyclable and protect the environment.

You can find all products of the pet range as well as great gift ideas in our Webshop:
